Hi Bill,

My understanding is that both FOIA requests now show a due date of Feb. 7, and we've let the requesters know that's when we expect to have documents ready.

I think the plan was to gather docs internally by this last Friday (at least most of them), do regional and HQ review of the docs this week, and then review the consolidated response next week. Does that still work for you all?

Bill

Bill, Ivry,
Has the due date for the Storis FOIAs (EPA-R9-2014-001383 and EPA-R9-2014-002133) been updated to Feb 7th? Are we still targeting Feb 7th as the due date?

Thanks,
Bill
